The Federation of St. Anne's and St. Martin's Catholic Schools.

Dear Parents,

As you are aware the new Federation of St. Anne's and St. Martin's Catholic Schools took effect from January 2017. I am pleased to let you know that the first meeting of governors took place on the 16<sup>th</sup> January and that all steps required to set up the Federation are complete. We have a full set of governors who are all fully committed to working for the benefit of pupils at both schools. Our focus will be on improving further the high standards we expect of our schools and strengthening the cooperation and collaboration that began when Mrs. Buller was appointed Executive Head. Much has been achieved but the Federation places us in a stronger position as we move forward.

Details of the Governing Body will appear on the school websites in the near future (work continues behind the scenes to upgrade the website especially at St. Martin's so I would ask for your patience in this). In the meantime if you wish to contact the Governing Body please do so through the school offices.

Yours sincerely
